Dear Parents,

We know how important it is to stay up to date on your child's learning journey, which is why we're excited to offer you access to Procare Solutions' best-in-class parent app.

#### **Tell Me More About Procare's Parent App**

Once you download the Procare app on your smartphone, we can update you on your child's daily activities, milestones and more. We can send you photos and videos of your child, as well as keep you in the loop on upcoming events and time-sensitive information.

The app also offers several "contactless" ways to check your child in and out. This helps us limit in-person interactions and unnecessary foot traffic in the center so we can better ensure the health and wellbeing of you, your children and our staff.

#### **How do I get the app?**

You'll get an email soon with all the instructions including a unique **4-digit pin** and information to download the mobile app via email. For additional security, you will be notified via email when your child is signed in and out of the center.

Click on the link for more detailed instructions on how to sign up: [Procare: How to Sign Up](#)

#### **Portfolio**

We can now create a portfolio containing pictures taken throughout the day. These pictures will be available for you to download, share, print or link to Facebook.

We think you'll really enjoy this new way for us to stay connected!

Sincerely,

Master Mind
